

Dear Esteemed Members,

It gives me great pleasure to welcome you to the new website of District Tax Bar Association (Direct Taxes). As Convenor of the Website Development Committee, it has been an exciting and rewarding journey to create this platform for all of us and I am delighted to present this digital platform that has been designed with your needs and convenience in mind.

In today's fast-paced legal environment, staying connected and informed is more important than ever. This website marks a significant step forward in our commitment to serve you better. We have worked diligently to create a user-friendly platform that will serve as your one-stop resource for all DTBA-related information and services.

We have designed this website keeping your requirements in mind. The platform now offers you seamless access to Upcoming Events where you can find details of all Study Circle meetings, workshops, and professional programs well in advance. The Discussion Forum Meetings page keeps you updated about monthly gatherings where contemporary direct tax issues and landmark judgments are deliberated. Understanding that our association is not just about professional growth, we have included information about Cultural Events. The Notices Section ensures that you stay informed about all important circulars, announcements, and updates from the DTBA. You can easily browse through the complete Member's List to connect with your colleagues across the district. For those who wish to join our association, the Membership Form is readily available for download. Additionally, detailed information about all Association Activities and related matters has been compiled to keep you fully aware of our initiatives, achievements, and ongoing projects.

This website belongs to all of us. Your suggestions and feedback will be invaluable in making it more effective and relevant to your needs. I encourage you to explore the various sections and share your thoughts with us.

I extend my heartfelt gratitude to our worthy President for his insightful vision and all committee members who contributed their time and expertise to make this project a reality, and to the Executive Committee for their unwavering support.

Let us embrace this digital initiative as we continue our journey toward professional excellence and collective growth.

I encourage all members to utilize the website regularly and contribute feedback for its ongoing improvement. Together, we can ensure that this platform remains a valuable asset for years to come.

Warm regards,

**CA (IP) Sanjeev Bhandari**
